

# Speaker's List, Model Senate

**Committee Members:** You must deliver a speech during the Exhibition on Monday or Tuesday. While this is not open for debate, there are several time slots available. Given your recommendations/advocacy, you have been placed one of the following positions: committee session 1, Senate floor 1, committee session 2, or Senate floor 2.

**You MUST sign up for the speakers list during that time frame. You will deliver your speech in the order you add your name to the speaker's list, not the order listed below.**

\*\*\* If your name is not on the list, you must bring this to Lori immediately.
